## Institute for human resource training: FSM

*The Borneo Post 15 Aug 2009*

**KOTA KINABALU:** The Federation of Sabah Manufacturers (FSM) will set an institute of technology to help the Government in training and developing human resource.

Its president, Datuk Wong Khen Thau, said FSM will be working closely with relevant Government bodies namely, SMIDEC, PSMB, SIRIM and SSTC.

"FSM is also planning to develop Small and Medium Industries (SMI) to take modern entrepreneurial approaches in line with globalization, to broaden their potential to compete in the global market," said Wong.

He said this during the launching of the Wisma FSM building, which was

officialiated by Chief Minister Datuk Seri Musa Aman.

Also present were Minister of Industrial Development, Datuk Raymond Tan Shu Kiah, Assistant Youth and Sports Minister, Datuk Jahid Jahim, FSM Deputy President, Mohd Basri Abdul Gafar, KKIP Chairman, Datuk Basalie Abd Hamid, and KKIP Chief Executive Officer Datuk Chong Hon Len.

Wong said that FSM will also be working closely with the Industrial Development Ministry in developing Halal Farms in Sabah in the future.

"FSM is now helping in promoting the Buy Malaysian Products Campaign," Wong added.
